GUIDELINES

Your arrival in Constanta

The best way to get from Bucharest Henri Coandă Airport to Constanta is to take the train which takes 3h 30m and costs 8 EUR – 28 EUR. Firstly, you must take the train that is near the airport, and it will take you to Gara de Nord. From there, you must buy a ticket with the route to Constanta. You can buy the tickets only from here <https://bilete.cfrcalatori.ro/ro-RO/Itineraries> .

Alternatively, you can take a bus, which costs 12 EUR - 40 EUR and takes 4h. You can find them in front of the airport; the most common ones are Kirvad and AltTransport.

When you arrive at Gara de Nord, I suggest you install the Bolt application and book a taxi from there, is cheaper than getting a taxi in front of the train station.

I suggest you come here 2-3 days earlier and after you get here please write to our office on incoming@univ-ovidius.ro and schedule an appointment with us. At our meeting you will find out more important details regarding your mobility and we will sign your certificate of arrival.

During your mobility

You may of course change your LA Before through the LA During due to overlapping and to any other reason. You will have 30 days after your arrival to do that.

Accommodation

The price will be around 120 EUR/month and you will be 4 students in total in the room.

You have a common kitchen.
